

## “How about free entry for a year, a new opening time and two special offers throughout August?”

Are you a UK taxpayer? If so why not turn your admission price into a Gift Aid donation? This gesture will help the Powell-Cotton Museum (Registered Charity No. 307757) to continue to conserve, protect and develop this unique collection of natural history. All we ask of you is to supply the Museum with your full name, postcode and signature when you pay on entry, and as a big THANK YOU from us for visiting during August you will receive :

**FREE smugglers’ trail.** Family fun on this trail where you will find hidden clues and objects, then make a wanted poster from the time of the smugglers. Following a series of clues you will help uncover the identity of the villain and help bring him to justice. But there is a catch as this sneaky character has evaded The Revenue time and again! **Daily Throughout August, 10am – 5pm** (Tues to Sun including Bank Hol. Mon. Includes admission to the Museum, House and Gardens)

**FREE afternoon tours** of the Museum & Quex House. Take a tour with one of our staff who will tell you some of the less well known facts and stories of the museum. **Tuesday to Friday throughout August 2 – 2.45pm**

**Free entry** after August is for non event days.
