The Powell-Cotton Collection

Hello,

Thanks for visiting Quex Museum, House and Gardens. We hope you enjoy your visit and decide to bring a school party here. So that we can get some idea about our pre-visit teachers we have put together this form for you to fill in before going in and having a look around. It should only take a couple of minutes and it provides us with a valuable insight into who is visiting and what they are looking for.

Thanks for your time and have a great visit.
