

FRIENDS OF QUEX

APPLICATION FOR MEMBERSHIP

The Society of the Friends of Quex was set up in 1984 to support the work of The Powell-Cotton Museum, Quex House and Gardens.

The inaugural Life President was Christopher Powell-Cotton, son of the Museum founder, Major Percy Horace Gordon Powell-Cotton. The title has now passed to his nephew, Michael Cotton-Garratt, the new life tenant of Quex House.

The charitable status of the independent Powell-Cotton Museum means that it receives no public or government funding. The raising of funds by the Friends therefore helps to sustain the museum and even improve its performance. Friends are also able to help as volunteers within the Museum or at events.

The annual programme includes evening talks and entertainment usually on a Quex theme. We also endeavour to arrange a special privilege event exclusively available for members of the Friends.

Membership of the Friends also includes Newsletters and free entrance to the Museum, House and Gardens during normal public opening times plus discount on ticket prices for any Special Events put on by the Museum.
